An Update on Rural Obstetric Anesthesia

Wednesday June 15th, 2011

Dear fellow GPAs and rural anesthetists,

We are pleased to invite you on behalf of the RCCbc to this CME event specifically aimed at rural practice. We'll be looking at the latest evidence and how it is relevant to and implementable in rural practice.

The presenters include:

Dr. Roanne Preston, Department Head BC Women's Hospital

Dr. Pamela Angle, Director of the Obstetrical Anesthesia Research Unit, Sunnybrook Research Institute and Associate Professor of Anesthesia at U of T

Drs. Nevin Kilpatrick, Kallie Honeywood, and Wendy McLeod, BC Anesthesiologists with a GPA origin and rural experience.

Program:

07:30-0800	Registration and breakfast	
08:00-08:15	Welcome	
Morning: Short snappers/new evidence		
08:15 -08:45	Labour analgesia: PCEA	Nevin Kilpatrick
