DISCLOSURE OF POTENTIAL FINANCIAL CONFLICTS OF INTEREST In keeping with accreditation guidelines, speakers participating in this event have been asked to disclose to the audience any financial involvement with industry or other organizations that may potentially influence the presentation of the educational material. Disclosure may be done verbally or using a slide prior to the speaker's presentation.

COURSE OBJECTIVES

Learners will:

- develop an understanding of current issues and techniques in anesthesia that are relevant to the practice of GP anesthesiologists in rural areas
- increase knowledge and practical application of skills required in a rural hospital, resulting in successful and confident patient management
- participate in networking and exchange of information and ideas between specialist anesthetists and GP anesthesiologists
