REAP Rural Skills Upgrade Program Guidelines

ELIGIBILITY AND REQUIREMENTS

The purpose of this program is to provide funding for skill enhancement training to physicians who are new or returning to rural practice or those providing locum coverage through the Rural GP Locum Program (RGPLP), Rural GPA Locum Program (RGPALP) or Rural Specialist Locum Program (RSLP) in order to prepare them for rural practice. Training may be obtained prior to commencing work in an RSA Community or prior to providing service to the RGPLP, RGPALP, or RSLP. Training opportunities available under this Program are flexible in timing and may be up to 20 days in length per fiscal year.

New/returning rural physicians applying for this program must have a formal commitment to practice in an RSA Community upon completion of training and must have community and Health Authority support for the requested training.

Locum physicians applying for this program must be accepted into the RGPLP, RGPALP or RSLP prior to applying and must agree to complete a return of service to the RGPLP, RGPALP or RSLP within one year of completion of training. The return of service commitment must be twice as much as the training commitment (e.g., 40 days of service for 20 days of funding for training). The return of service shall be prorated for shorter training durations.

Funds are allocated on a first-come first-serve basis. REAP will not provide funding for courses or conferences, training received outside of BC unless previously approved, or training not relevant to the REAP approved training plan.

APPLICATION DEADLINE

The application form and all supporting documents must be submitted prior to training, but may be accepted up to one week prior to the end of the fiscal year in which the training began. The fiscal year runs from April 1 – March 31.

CLAIMING YOUR STIPEND AND EXPENSES

Claims may only be made after attendance at the training with an approved Claim Form. Claim Forms can be found at www.doctorsofbc.ca or through the contact provided at the bottom of the application form. Receipts for purchases, registration, canceled cheques, proof of attendance and other documentation showing dates and location must be submitted with the claim (photocopies are recommended, as receipts are not returned). Funding for this training from all other sources must be declared on your claim form.

Prior to submitting your claim, you must complete and submit the REAP Trainee Evaluation, Site Evaluation and Preceptor Payment Receipt to the REAP Senior Program Assistant.

STIPEND/TRAVEL AND ACCOMMODATION

The Rural Skills Upgrade Program will provide a stipend of \$950/day that may be applied to cover income loss, overhead, and tuition. Please ensure that no patient billings occur during your REAP training period. You will be responsible to pay your primary preceptor \$90/day from your bursary.

Reimbursement of travel and accommodation expenses is based on a cost recovery basis. Travel costs will be reimbursed up to \$2,000. Accommodation costs are covered up to \$200/training day. For accommodations with family/friends, a maximum of \$75/day may be claimed.

Ground transportation costs to and from your training locations will be reimbursed at a rate of .55 cents/km, to a maximum not exceeding equivalent economy airfare. Local mileage will not be reimbursed (training site must be >25km away from residence). Travel occurring outside of BC will not be reimbursed in excess of the equivalent cost of travel within BC.

INCOME TAX

Note that you may be able to claim travel costs as an expense on your income tax return so please retain a copy of your receipts. Please contact your tax advisor for further details. If requested on the application form, payment can be made to your corporation and no T4A will be issued.
