

# Quality Team Coaching for Rural BC

Rural Coordination  
Centre of BC

*What would you love to see happen on your team?  
Curious about optimizing team function, with the right supports?*

In the Quality Team Coaching for Rural BC (QTC4RBC) program, rural health care teams work with an International Coaching Federation (ICF) certified coach (either Dr. Rahul Gupta or Dr. Cecile Andreas) to regroup and reconnect with their purpose, while taking action to build their team culture and advance towards the goals they wish to achieve.

## Why do Quality Team Coaching?

Evidence shows that effective teams create a culture that both improves patient safety and enhances satisfaction and joy for healthcare providers.

## What the Program Provides:

- ❖ One day in-person workshop in your community with an ICF-certified coach
- ❖ Four virtual team coaching sessions
- ❖ Three leadership coaching sessions

## Program Eligibility:

- ❖ Any rural health care team, with priority given to:
  - [RSA A or B communities](#)
  - Remote and/or underserved populations
  - Interprofessional teams
  - Leadership participation in the program

## How to Apply:

- ❖ More information about the program and expression of interest forms are available at the RCCbc website: [rccbc.ca/qtc4rbc](http://rccbc.ca/qtc4rbc)

If you are interested in bringing together your team to apply for this program, contact [tdeleeuw@rccbc.ca](mailto:tdeleeuw@rccbc.ca) and we can help you develop the application
