RHC Rural Health
CONFERENCE

May
24-26,
2024

There's something special about the BC Rural Health Conference.

It's not just the knowledge you gain, but also the friendships you form. Embrace the excitement, the learning, and the camaraderie that makes this event so exceptional!

Conference Highlights:

- Social & networking events to connect with rural peers, including locums
- Interactive breakout sessions & hands-on skills workshops to discover current & emerging trends in rural medicine
- Free childcare during conference hours
- Pre-conference courses include: The CARE Course Goes WILDE & Rural POCUS Congress
- Wellness opportunities, including yoga sessions, complimentary chair massages, guided hikes & other excursions

📍 On the ancestral and traditional territory of the Sk̓wx̓wú7mesh and Lílwat7úl peoples at Whistler Conference Centre
